She did not undress and put a condom on me. I tried to touch her covered breasts she said that i could not touch and began to give me a blowjob. asked if she could take clothes off and said no she is boss. Couldn't get turned on. Asked for money back, she started flicking my nose real hard and saying she is boss and that she was going to ring her pimp up to beat me up. Got to leave and put my clothes on and left.
