The Premises:

I met Chloe at her hotel, this was the second time I had been to see Chloe. She text me details to her room, her room was spotless clean and tidy.

The Lady:

Chloe is a lovely sexy lady and her description in her advertisement is every thing she says and more.

The Story:

The first time I met Chloe I could not believe my eyes, She invited me in and made me feel really comfortable, she was wearing a skirt just above the knee and a sexy low cut top showing off her lovely breasts, Black stockings and stilettos, we chatted for a few minutes and then Chloe kissed me, I was really turned on, her tongue started to explore my mouth and I responded in the same way. Chloe really does like to kiss and I could have kissed her all night. This lady really knows how to get a guy turned on, we moved to the bed where we could not keep our hands off each other. We got undressed but Chloe left her stockings and shoes on and we got onto the bed where Chloe started to go down on me. My hand ran slowly up her leg until I could feel how wet she was so I decided I wanted to make Chloe cum with my tongue.

I spent several minutes exploring Chloe with my tongue and believe me she loved every minute of it, kissing and exploring Chloe is well at the top of her list. After spending a long while giving each other lots of pleasure Chloe placed a condom on the tip of my penis then watched me roll it down my shaft. She then sat astride me and moved up and down, I tried to hold back but after a short while I could not keep going and could feel myself unloading inside Chloe,

I have since been back to visit Chloe and it just gets better and better, I have now arranged to meet Chloe for a third time but this time she has invited her friend along. I will say this you will not be disappointed if you arrange an appointment with Chloe, I have never experienced anything like what I have had with Chloe she is a true girlfriend experience I don't think a girlfriend could offer what Chloe offers.

I would be very interested in reviews of Chloe on this site, Thank you Chloe I will be seeing a lot
