The Story:

Having seen Chloe before, i decided to meet her in CMK for morning brunch, before we retired back to the flat.

Met her in a restaurant at 11am promptly as discussed, as we had brunch together.

Dressed very casually on this particularly warm morning, felt very comfortable being with her, without being noticed, as we ate and chatted.

Seeing as we were on a slow day together, it felt good to get to know her like this, outside of the bedroom.

Deciding to take the good lady for a stroll around the shopping centre once we finished, window shopping to start with but soon i treated her to a few items.

As the morning passed into afternoon, we'd thought it be best to spend the last few hours back at the flat, which i happily drove her to.

Once inside, a hot shower together and with the usual bedroom activities, it was a booking i can actually say i really enjoyed!!
