The Lady:

Lovely girl. tempting to call Lauren a girl tho mid 20s as girly face and boobs but nicely mature tum and bum to get hands on. Well presented having had banter about what to wear in pre-meet communication - Lauren is the best at communication I have come across in all my years. Able to give and take banter and to be very clear about any details you need to be sure about. Did I say I liked what I had seen of Lauren in her picture and liked her more in the flesh tho it does help when your hello is cut off by a full on kiss.

The Story:

Great time. I had come to really like Lauren from her early forum postings and some PMs between us and texts arranging the meet.

She is a popular girl and particularly for longer meets showing she has enough about her for punters to want the time to enjoy her as well as her body.

So kissing to start, chat then cut off by kissing, banter then cut off by oral without which is done with skill, head movement and stamina - great.

Really easy to feel totally at ease with Lauren so we could talk about anything and about what either of us fancied doing.

I worked down her body (with regular returns to her mouth) until settling on giving her oral which I enjoyed hugely and at which Lauren was very responsive.

A quick bout of anal to finish and then it was time (tho Lauren was the opposite of a clock watcher) to try to drag ourselves off the bed without starting yet another little conversation and snog.

Great time, must repeat it. It is relatively expensive for me and my half hour custom but clearly worth it and more tho if I was going to extend my normal time, Lauren's personality, Lauren's body,

Lauren's attitude and Lauren's sexuality could make her the one to make me change my ways.

I like Lauren.
