The Premises:

Functional flat above a parade of shops on the Stafford Road. It's discreet and there is plenty of parking. The operation has moved into the next door flat so if you've not been for several months bear this in mind.

The Lady:

Late 28's eastern European with fiery red hair. Good figure with a few stretch marks. A hairy pussy which seems rare these days!

The Story:

A nice friendly girl who offered a nice teasing massage. She has great tits with prominent nipples and very large labia and a tight pussy. She got me rock hard in no time and I just had to fuck those tits so I did!

A great punt with a horny girl.
