The Lady:

Pia came dressed simply, elegantly. And Sexy for the good observer. She is a a good looking and very friendly girl next door, and you will have no trouble to be seen with her. Her pictures on the site and on her Punternet profile are accurate, but in person, with the face, the smile, and the whole attitude she looks soo much better still.

She is experienced, confident, and immediately at ease. Pia has a lovely face and a very appetizing, slightly wicked smile. Within seconds (entering the elevator) you know this is going to be good.

Very promising start of meeting.

The Story:

Pia is Lovely!

Pia is level headed and clever and we had no problem to strike up a conversation. We both had an idea of each others personality, due to our postings on the PNMB forum. I was quite hot with anticipation to finally meet this girl. And the reality was definitely good looking and with an excellent connection to boot.

After a brief natter, Pia sensed my eagerness, and very soon we were behaving as long time lovers (or should I say: long time cuddle-buddies).

And Pia is Good! Off to the Bedroom it was, both eager to get to know each other better still (and rip off some clothes). We had a few brilliant sessions on the bed. Pia knows how to push my buttons. She is quite a hot GFE, a lover who is not afraid to take initiative herself either. A Passionate woman, and maybe even a bit of a man eater (hehehe).

After several rounds of cuddles we had a relaxed recovery and even a brief second round. After

another recovery (Bliss) and a good natter, I walked her to the parking. A bit of romance in that too, innit ?

Highly recommended, I will be back for more someday.
