### The Premises:

Recently renovated / converted flats. Very nice and anonymous entry from a busy road. Lovely and toasty warm inside with radiators blasting out heat.

### The Lady:

She is absolutely gorgeous. Toned, slim with a natural tan. I was knocked out by her attractiveness. Easily size 8 and in great shape. She wore sexy lingerie, stockings and heels. I fancied her the moment she walked through the door.

### The Story:

Elouise is charming, self-effacing, intelligent and giving.  
She is also sexy as hell.

She is lovely. If you're looking for great sex and a GFE this is the girl for you. I went for OWO and ended up with a wonderful COB with her looking up at me by the mirror.

I like to think I'm experienced enough at this now, but may have fallen a little for her. So much so that it actually felt like a GFE. Yeah, I'm a silly sod.

Highly recommended, my new favourite.
