The Premises:

As reported in previous FRs very well appointed with friendly ladies on reception. You don't see the ladies, but you are shown their pictures on the wall behind you, although I knew that I wanted to see Melanie having seen her a couple of times before.

The Lady:

Blonde in her mid thirties with a well-toned body and enhanced boobs which are in proportion to her height. Very pretty with a lovely relaxed voice.

The Story:

I was prompted to write this after seeing that the two most recent reports on Melanie give a negative recommendation. This is the third time I have seen Melanie and all I can say is that it is one of the best experiences I have had with a working girl (or any other come to that!). Melanie is extremely easy to talk to and started the session with a very sensual massage that moved on in a very natural way to some wonderful oral (both ways). We had sex in several different positions and through no fault of Melanie's (it had been a very long day) I asked her to finish me off by hand. This led to one of the most mind blowing orgasms I have ever had. We had gone over time but Melanie didn't rush me out and had time for a quick chat afterwards. Not surprisingly she seems to get booked up very quickly on the days she is working. Treat her nicely gents, she really is a treasure.
