### The Story:

I was so in need of a good suck and fuck, so the obvious choice was Paris. This girl just gets sexier and sexier. Dressed provocatively showing off her all over tan, we soon got down to business as smooching turned to groping. Her ass and tits are a joy to behold! She soon had her hand down the front of my boxers and was wanking my rock hard cock. An awesome OWO followed in front of the mirror, she really can take it in all the way, she was born to have a cock in her sexy mouth. Then doggie, but I knew I wouldn't last long banging her from behind so we swapped to cowgirl. She must have fucked me for 20 full minutes, it really is the best position to fully appreciate her charms. A shuddering climax followed as she whispered dirty talk in my ear, "I'm your fucking whore" being the words that took me over the line! Awesome.
