The Story:

I met Simone at the agency's apartment. It was my first time using Midland Belles and communication was excellent.

I picked Simone because of the positive reviews shown on the website and she was everything described. Intelligent, pretty and naughty. After I had a quick shower we resumed to the bedroom and my word does this lady enjoy her job! Certainly an experience I won't forget but as a gentleman I don't like to go into details. Thank you Simone and I'll be seeing you very soon!
