The Premises:

Fairly busy area, but discreet to enter. Good transport links (I used tube). Place was clean and nice smelling.

The Lady:

Really truly gorgeous girl. Better in real life than the photos IMO. What I call a proper bodied girl. Wasn't too skinny which is a real turn off, nice slender figure though with very good breasts, a proper handful. A little taller than most, but I like that. VERY good looking pussy!

The Story:

Wanted a young escort, so got Stellar. She greeted me in some sexy tight jean things, and a white blouse. She looked understated and I was very impressed, she looked better than the photos. Was expecting a young Euro chick that didn't speak much, but Stella is pretty fluent which is nice - those that can't speak often a very big turn off!

We started with some DFK, then she was more than happy to start on some oral without. Extremely sexy seeing her down on her knees! She looked very cute. Johnniied up and had her on her back. I can't describe how great it was to see her underneath me, and she seemed to really enjoy it. Eventually I went down on her which she was happy for me to do. Picture perfect pussy is the only way I could describe it.

She then got on top and we tried a variety of positions, she's pretty flexible. I asked where I could cum, she said on her breasts and I was more than happy to. She smiled at me as I finished which was extremely hot.

I've already booked in an appointment for the end of the month again.
