The Story:

Crap in my opinion, she came in and introduced herself and basically di not make me feel welcome or comfortable at all!

She didn't smile like others have nor did she talk throughout sucking my cock and sex. Well she didn't talk at all, I didn't get a very good vibe from her either.

She was impressed by my massive load though. I said I had wanked over her online and that turned her on.

But bottom line shit experience and have not been back to see her since.

I would highly recommend Suzi, Petra and Angelica.
