The Premises:

A well-appointed establishment, with a genial and friendly maid. Was shown up to the second floor and offered refreshments. The room was sparsely furnished, but fit for purpose, with silky bedding giving an aesthetically pleasing touch. One has to ask for the bathing facilities here, as they are not inside the room itself. AN intriguing chest lay against one wall, but I did not pluck up enough curiosity to discover what treasure trove was concealed therein. Needless to say, I was distracted by other things and forgot about it until I walked to the station afterwards. Just another excuse to visit again, I presume.

The Lady:

Eliana proclaimed to be 23 and half Spanish/French, both of which are believable, although her excellent acquisition of the English language makes it difficult to tell the latter. Unfortunately, my Spanish proficiency is not sufficient enough to seek verification. This lady sports a hefty bust (D-cup), and has the softest of touches. Sensual would not be an inaccurate adjective to describe her. An unassuming approach makes her an amicable companion and I found her more than agreeable.

The Story:

Having the choice of two ladies on my impromptu visit to the MK scene, I opted for Eliana, as she seemed the less abrasive type, but this was a judgmental viewpoint on a briefest of encounters with the other lady. As it turned out, Eliana proved more than friendly and at no stage did I feel as though things were not working out to both our satisfaction. She was responsive to my administrations and she was exquisitely gentle when I requested more kissing/licking than active sucking. Something for you fellow punters to consider as a change maybe, as the sensations are equally as gratifying. Although this may not have tested her OWO skills to the limit, what I received was ultimately what I sought and I thoroughly enjoyed it.

This proved to be an enjoyable encounter, which set me up perfectly, as I now trundle my happy way to Heathrow.
