The Lady:

There is only one word to describe Jade and that is lovely. Lovely face, lovely body, lovely personality. She is the epitome of loveliness and would knock any mans socks off.

The Story:

Jade arrived on time clad in sexy undies and high heels. However I only had eyes for her lovely face and body. A brief hello and we got down to kissing and cuddling. She soon asked me what I would like to do and I asked to go down on her followed by some 69 and she was more than happy to oblige. Then on with the raincoat for some reverse cowgirl, a couple of interesting positions suggested by Jade and mish. All the time Jade was gentle, considerate and responsive. Finally went for owo and shot my load into her pretty mouth. She is so amazingly considerate, she went to brush her teeth before more FK. We chatted for a while and I loved gazing into her deep brown eyes and stroking her long black hair. With me hard again Jade did some more owo and we fucked a bit longer. Most enjoyable but my tanks were empty so I went for a shower, paid my dues, kissed a bit more then headed out after a great hour. In response to your question Jade, yes I will be seeing you again (sometime next year) since I can't imagine there's a lovelier escort than you. No wonder you have so many positive reviews. Wow!
