The Story:

About my fourth or fifth visit to this lady now. She is delightful and really loves what she does. She has a partner (business or pleasure partner I know not) who is sometimes around but he's fine. Even very friendly to me on this occasion.

Jojo showed me her BJ skills on this occasion. Covered, but one can't have everything. Gorgeous use of mouth and tongue. She really seems to enjoy cunnilingus, too.

Recommended, definitely, and on an ongoing basis
