The Premises:

The establishment has been refurbished and it looks it. Everything was very clean and tidy, the room I was in was very spacious with a decent shower in the corner. It was easy to find, I opted to park in the discreet parking out back. Not a good idea and not discreet, very tight with bins in the way.

The Lady:

Carmella was not tall maybe 5'4, brown hair, tan skin. she had a bit of a belly witch was fine with me, no tits but a nice ass.

The Story:

The receptionist was very friendly, and directed me to the establishment as it was my first time their. When I got their I was directed to a nice room where Carmella came to great me.

We started with a nice back massage witch was very nice and relaxing. From their it was covered oral and sex in various positions. We finished with a very wet hand job witch was the perfect topping to a nice 30 min session.

Carmella was a very nice and attentive woman. She was very enthusiastic with everything we did and took all of my suggestions on board.

Thanks for a lovely time!
