The Story:

Given good directions by telephone, knocked the back door and was greeted by this lovely lady, very welcoming good personality - knew that this was going to be a good one from the off. House was spotless shown to the bathroom for a freshen up then followed Tia up the stairs to the bedroom her bottom and stocking clad legs got my attention. Once in the bedroom handed over the gift and I undressed with her help, facedown on the bed for a sensual, teasing massage, after about 10 mins turned over and Tia started to massage my front, balls and cock - wonderful site with her leaning over, her breasts started to leave her basque and she gave me a tit wank, now I am only a one pop guy so had to warn her off. She returned to massage and I was getting hard in anticipation, she then put a condom on me and started some oral which was great, then she mounted me and began to ride me making some very satisfactory sounds and she came with a shudder. I could not keep this up and asked her to return to hand relief which she did superbly and soon I was spent. This was a beautiful gentle girlfriend experience with a lovely articulate woman, will return very soon.
