The Story:

Let me start by saying that this was my first punt of my life. I booked the meeting few days before via sms. Lindy responded to my SMSes and emails promptly. As the day and the time approached anticipation was overwhelming. The apartment is close the Rail Station and is easy to find. When I reached her apartment, I was quite nervous. Lindy greeted me at the door in a sexy outfit. She offered me some drinks, made some conversation and made me feel completely at ease.

We started with some kissing and then moved to the bedroom, continued with more kissing and fondling. I wanted to go down her/face sit and she was happy to comply. As some of my most amazing minutes of my life flew by we indulged in some 69, mish, used some toys on her, doggy and finally came with the help of some oral and HJ.

Finally after a quick wash and finally departed with soft kiss.

Truly a fantastic lady and didn't for one minute, made me feel that I was with someone I had never met before. Will be happy to see her again.
