Easy to find with plenty of free, safe parking available. Area felt very safe too. The flat was clean and tidy with no nosey neighbours prying.

The Lady:

Keeva is a lovely young Irish lass. She is very pretty with a perfect body, especially her firm pert breasts. Best thing about Keeva for me was her caring attitude and her outgoing, bubbly personality. She put me at ease immediately with just her sweet smile.

The Story:

I am very shy and nervous but Keeva has a lovely re-assuring temperament, a smile that would melt any man's heart, along with her very willing to please attitude, things went very well. We started with a very nice relaxing back massage. Keeva is very down to earth and chatty. I enjoyed this (almost) as much as the action. She had me in fits of laughter and we giggled all the way through the appointment. I did not even need to say what I liked as she just seemed to know and got it spot on. We had GFE with lots of kissing and cuddling, 'O' both ways and finishing with Keeva in control on top of me. There was a naughty glint in her eye as she brought me close then held back, then repeated this a few times. What a temptress lol. A truly marvelous time was had, especially by me. I like to think she enjoyed herself too, she certainly appeared to. Many thanks Keeva for making this old fella very happy.
