The Premises:

A little road tucked away off a main road. Neighbourhood looked ok, but wouldn't fancy coming back at night! House wasn't the best. You enter via a back gate. House smelt of stale smoke and was dirty. Photos made the place look very bright and clean, they must have been taken somewhere else.

The Lady:

Over on the "other site" she describes herself as 31. I'm not the best at judging a woman's age but I would never say Victoria or Lady Victoria is 31. Late thirties would be more my guess and I think that's being kind.

The Story:

I fancied some Friday fun in Aylesbury and the usual lady I see was unavailable so I took a gamble on Adultwork. Lady Victoria came up as available. Her pictures ticked all the boxes, although there was no face shot I thought it was worth a punt. I called the number and her voice was wonderful, very polite with a naughty laugh, and I thought I'd uncovered a little gem. She gave me directions to her place and I made my way there.

I had high expectations but was sadly left very disappointed. She opened the door to me wearing jodhpurs and a baggy sweatshirt, at first I thought that maybe she was just someone to greet me before I met Victoria as she didn't look 31. Nope. This was her. In her pictures she is in amazing lingerie, and I wasn't expecting her to necessarily answer the door in this but to at least be in something sexy. Not a sweatshirt and jodhpurs! (Even when she took all of this off she didn't have the best underwear on!) She led me upstairs and the house just smelt of stale smoke and was very dirty. I wanted to just go but I've never been in this position before so didn't want to say "Thanks but not thanks"

Originally I wanted to have 30 minutes, but just opted for 15 minutes of oral and then getting out of there. I will add it was great oral, but I did feel slightly grotty afterwards.

Victoria is friendly enough and was very chatty however she's not for me. I know that a lot of ladies don't put face shots to protect their privacy but this was bordering on trades description! Not 31, no sign of sexy underwear and certainly not the same house that her photos were taken in. Very disappointing!
