### The Premises:

Debbie's is clean and tidy, well known and well reported. With two bedrooms in operation, you can find there is a fair amount of coming and going, but it's all managed well.

### The Lady:

Tara has returned to Debbie's after a year away. She is slim and fit, cheeky and friendly. She is dark-haired and has dusky skin (she describes herself as "mixed-race").

The photos on the site are true and give a good impression of her - but they were taken last year when she was blonde. If hair colour is important, be aware she isn't blonde any more - unless she's changed again since, of course! I also think she is bustier than she appears in the photos.

### The Story:

(I notice that all my extant reviews are now of girls at Debbie's. I hope that doesn't disqualify this review, and will try to review more widely in future)

I saw Tara on Thursday, when she was on with Indian-origin Yasmin. Tara explained this was temporary, as she was waiting for a permanent day on the roster. Why not Thursday? "Because if you want someone Caucasian today, you're screwed!" Tara now has a regular day on Wednesday.

(To me, Debbie's tagline "All English Girls" seems a bit strange, because she always has fine women there with various origins but I guess there's a demand for particular types)

I opted for the house special with assisted shower, which is fun - but these days with two girls on duty, can involve waiting for the hallway to clear. The shower is quite small, so it takes co-operation to have fun there....

Once back in the bedroom Tara teased my aimless approach to these things: "Shall we dance?" Sure, I said, it could be Strictly Cum Dancing. I attempted a lift, and we got on with proper sex - which Tara does with enthusiasm. Specially good oral and 69.

I understand Tara offers A-levels, and was happy to indulge in mutual arse-play.

It ended with a climax which I found strangely hilarious as I imagined Darcy Bussell awarding us 10 points.
