The Premises:

I found it difficult to locate her flat, this was my fault as i didnt check the message correctly, and i didnt realise earls court station had two exits, and Yoko was on the exhibition center exit.

The Lady:

I must say , it was worth the wait. Yoko seems very young and vibrant . Elegant and her English was impressive .I been to japan few times and could have a connection with her as she is half Thai half Japanese.

The Story:

Yoko is a darling, i must say we clicked right from the start. like lovers . she obeys and does everything from soft oral to hard , nice gentle deep throat fucking, but she didnt go all the way. She seems to enjoy being licked , i gave her a good pussy fingering and licking, then she returned the favor licking my ears deep which turned me on and then buried her tongue in my ass hole . We ended up in 69, and having on of the best sex ever. with both knocked out on the bed, she then gave me another blow job , i finished with style all over her face. and with 10 minutes left she gave he a nice oily body to body massage. A very nice girl indeed.
