### The Premises:

my hotel

### The Lady:

As described on Prestige's website. Charming and with excellent interpersonal skills. Reminded me a bit of the Macedonian singer Kaliopi in appearance.

### The Story:

Gilly provided a top quality GFE which is what I now regard as the standard offering from Prestige. This included activities that many non Prestige escorts offer on a discretionary basis if at all. She arrived 10 minutes early and her introductory greeting was a passionate one. This set the tone for the rest of the session. She was enthusiastic and keen to please and did everything I wanted though I would hasten to add that I'm not into anything remotely extreme.

Recommended for those who, like myself, value quality action way above anything else.
