The Premises:

Luxury apartment, well furnished in a discreet area.

The Lady:

Mature MILF escorts, they aren't as old as 'mature' might pertain to, but they're certainly both MILFs. Busty women with very sexy British accents, Christinne has her face blurred on the site, but its very pretty in real life. Charlotte looks just like her pics, a fair representation I'd say. Both were dressed in 'professional' look, sexy secretary style which was very much a turn on.

The Story:

Both were dressed very seductively... Offered me a drink when we got there, and they got me to relax and unwind. Has always been a fantasy of mine to have a threesome and experience a British cougar, so I thought I would treat myself and combine the two. I was quite nervous when it came down to it, but the ladies made me feel welcome and at ease. They asked if I wanted a massage, and they took me to the bed, took my clothes off and started a 4 hand massage which is a real treat I'd recommend to everyone.

After a while I was ready to burst, as I could feel their bodies touching me, and I realised that a threesome was about to begin. excited doesn't cover it. They started touching each other and stripping each other down seductively whilst I got myself in gear. They then proceeded to both give me a blowjob, one on my shaft the other on the balls. Eventually I couldn't take it any more and blew my load over both of their breasts.

We took a little time for me to recharge, had another drink and they kissed and fondled each other until I was ready for round two. They took it in turns, one on my dick, the other on my face and completely overwhelmed me, I was a slave to their sexual desires and they took advantage of me. Finally I had them both bent over and I would penetrate one then the other whilst they kissed. Eventually finishing on both of their arses.

These two are phenomenal. I promised I'd recommend them to others so here it is. Can't wait until I can book some time with them again. It's expensive, but definitely worth it.
