The Premises:

Small apartment complex just out of Leeds centre. Private secure parking accessed by code input. Smart clean apartment with good shower facilities.

The Lady:

Very pretty 21 year old student, nice figure, blond hair, well spoken and polite. Photos on website very accurate.

The Story:

Slight delay in starting the appointment as previous girl running late. We were both parked near each other but avoided contact whilst she waited for the ok from HQ, when she left the car dressed in civvies I thought wow I can't wait. About 5 minutes later I got a text with the apartment number and told to go up. Lyndsay answered my knock on the door and let me in with a big smile. We had a chat in the lounge followed by me taking a shower and then to the bedroom. She is very easy to get along with and is quite chatty without being too much. What followed was plenty of passionate kissing, excellent OWO, sex in several positions all finished with CIM but not swallow. The hour was pretty much filled with action and the late start was allowed for with extra time. All in all an excellent time with a very nice girl.
