### The Premises:

Met Shelly in a Hotel as part of her recent Heathrow tour,it was safe and clean.

### The Lady:

Age 36,long blondish hair and quite tall.

### The Story:

Shelly is an amazing looking, and I mean amazing. Her pictures on the site are real and she is stunning. I initially went for overnight but ended up paying ?200 after being shown the door around midnight. She just stripped off,tossed and sucked me off like mad,and from then on it was obvious that no more action was on the cards.

I would not ever advise anyone to go near her again.She clearly just wants to have as little contact as possible.

### Service Provider's Rebuttal

Shelly writes, "I had explained to this client that I was tired from the journey down from Sheffield, though I didn't explain that I'd had some news from home which I was worrying about. I didn't feel it fair to continue with the appointment as I didn't think that the client was getting the type of service I normally provide. He stayed for four hours and I charged him ?200 which I thought was fair although I would normally have charged ?320 for the same length of time."
