The Lady:

Monique is a slim, attractive hazel eyed blonde from my favourite part of Europe who showed up punctually at my door in an elegant black dress.

The Story:

Monique's pictures are flattering in regards to her facial looks - complexion was not so smooth. And she also has some body art that has been airbrushed. However, this body art was tasteful and discrete enough so not an issue for me. On the positive side Monique is an attractive lady with a great attitude and strong desire to please. I had a fantastic time - very enthusiastic OWO, DFK and sex in various positions. Also I am an uber clean, well groomed, fit chap in his early 30s so was able to convince Monique to rim me - which she enthusiastically did at length. I gently try to propose this service with most escorts and 95% of the time get rejected so was quite delighted. Monique is very new to the profession and has the genuine GFE aspect to please her clients. Would strongly recommend for her service.
