The Premises:

Located in Bradwell Common.

Discrete entrance small room perfectly acceptable.

The Lady:

Jeny is a good looking petite young woman. She was dressed in a bland tracksuit with a nice looking basque underneath.

The Story:

This was definitely an experience to forget. Jeny showed no interest what so ever.

No Kissing at all.

Reluctant to allow touching or kissing of her fine breasts.

Had chewing gum in her mouth as she performed oral. I performed reverse oral nice pussy, but may as well have been with a shop window dummy. To cut a short story short, never came close to cumming and for the first time left a punt without cumming very disappointing.
