The Premises:

This flat was located about a 5 minute walk from Lewisham station. It was clean inside and the entrance was discreet.

The Lady:

A very slim, East European girl with not very firm A cup boobs.

The Story:

The session wasn't too bad and Daniella was very friendly. She started by giving me very good uncovered oral including licking. We then had protected sex with her on top. It was some time before I last came so I was very sensitive. I asked to switch to doggy and this time I felt more in control. We switched position again to missionary and I only lasted a few strokes.
