The Story:

In though rear and straight into a waiting room.

Saw kelly making a brew in kitchen and looked stunning so was a simple yes please when she came and introduced herself.

Nice room manner and good body.

Started with me sat on bed caressing her ass, tits and legs as she stood up.

Good oral...she noticed me watching in the mirror so suggested I stand up why she deepthroated me on all fours on the bed.

Turned her round and fucked her from behind, still watching those tits!

Couple more positions then came deep inside her (covered)

Lovely lady, thank you kelly - supermilf :-)
