The Premises:

Clean flat,close to Upper Street.I have visited before and I have always liked the fact that the premises are clean and welcoming.

The Lady:

Alice hasn't met my expectations at all.

Even though the receptionist presents her as being beautiful,that's only lies.

I have visited Crystal Girls before and they usually have fit,gorgeous looking girls that look after themselves.

Yes,curvaceous indeed but all those supposed curves are just fat.

I only went with her because my favourite girl wasn't available.

Wish I wouldn't have done it.

The Story:

The meeting was just dull and boring.

What really turned me off is that she pretended to be Australian when it was damn obvious that she was was Eastern European.

No interest what so ever,I could have gotten more passion from an inflatable woman.

She isn't made for this kind of job.

I walked out happy to be over and from now on,will make sure to go and see my horgeous favourite girl only!

If you want to save money and time,do not make the same mistake that I have made.
