The Premises:

Anabella's MK, is a well known and well respected place. It has great parking, and very clean rooms. Everyone is polite and welcoming.

The Lady:

I have never left a comment on here, so this should tell you enough of what I think of this radiant lady that I have decided to leave a comment.

Bia is as beautiful and Brazilian as they get - NO DOUBT!!! She is the second girl I have visited that is better than the photoshop picture. She has a great body, (she is proud of it and "works hard for it") and has an extremely welcoming personality. I could go into detail, but I would recommend you see her for yourself.

The Story:

Long day at work today, so needed to relax, I had not seen her but had heard about her. When I arrived the receptionist said I was a lucky one, and she was right. I had hoped to book her longer but only had 30mins.. I will be back when she is back.. I am sure she will be quite busy, but I look forward to seeing you again menina bonita!!

Obrigado..
