The Premises:

The Head Office has been well reported before. Local parking, front entrance a bit open but there is a more private back entrance.

The Lady:

Had the choice of three very pretty looking ladies but Taylor's smile (and gorgeous figure) swayed me to opt for her - I'm glad I did!

If anything her pictures on the website don't do her justice, great bod!

The Story:

Had a great time with Taylor, she even gave me one of the best proper massages I've had for a long time.

Ran through the list of options, owo was 20, CIM another 20 and kissing was 10. Thought "sod it" why not have them all?

Taylor first gave me some great oral before we swapped places and I returned the favour, either she's a good actress or she seemed to enjoy this alot! Not often the girl leaves a damp patch!

The went for mish, couldn't last long looking into those beautiful eyes so popped inside her, gave her 100 afterwards and she reminded me that she owed me 20 for not giving CIM. To be honest, I'd had such a good time I told her to keep the change!

She not been working long but treat her nice guys, what a smasher!
