The Lady:

As close to photos to be expected for an asian wgl. She is pretty a bit taller than average Thai girls

The Story:

Not being a Londoner but visiting the city once or twice a year I have used PN to select the girls I met. So little payback for the reviews I used

Very sexy pleasant girl met me in black sexy lingerie as requested. Started up with a very long and very skilled owo. Then the time went to quick

For all I wanted to do but overall I very nice hour If you like Thai girls I definitely recommend Kitty. I have some experience in the area and she is one of the better.

Only negative is that she seems to have a tight schedule. Almost met the next punter in the stairs
