### The Premises:

Clean house behind main road. Easy to park nearby and no nosey neighbours.

### The Lady:

Attractive young Romanian lady (probably in her very early 20s) standing at around 5'2" tall. Straight black hair. Cute sexy eyes (when open) with smallish but firm and sensitive boobs. Fully shaven.

Quite quiet during our meeting but more chatty on the phone.

### The Story:

Was shown into the bedroom where we sorted out the preliminaries.

Adelina then disappeared for a couple of minutes before returning and inviting me onto the bed with her. We kissed gently and then I took my time to explore her body slowly and sensually. Running my tongue over her nipples seemed to have a very positive effect and using my fingertips to explore elsewhere had her tremble gently. Adelina's eyes were closed for much of the time but her body suggested she was enjoying herself too. Soon it was time for my tongue to travel south and tease her pussy which started to get very wet and welcoming so it was on with the condom and I slid my hard cock deep into her. Thrusting slow at first and building up gradually brought me to a powerful and explosive climax to end a wonderful experience.
