The Premises:

Described so many times .. modern terrace house. Not particularly discreet but nobody cares.

The Lady:

The website pictures are accurate but do not convey her real beauty or warmth

The Story:

I was a bit nervous but I shouldn't have worried. Parissa wasted no time in getting down to why we were there. Fantastic body matched by fantastic skills. Alas I didn't last too long. After we chatted about Krakow - a city I have visited and really enjoyed. There loss is our gain. Thanks
