Adequate for purpose.

The Lady:

Tall, blond, tanned, full natural breasts. By no means fat but for some reason doesn't appear as slim as in photos, even the ones on the Twitter feed. This didn't put me off though.

The Story:

Apologies for the delay, and my being hazy on the details, but I do remember Parissa was keen and willing to provide all services advertised for.

Although perfectly pleasant she seemed a bit distant at first, and I did think it was going to be one of the punts. At first we had a nice FK she provided nice OWO and CIM, which she lapped up with no hesitation.

I then decided to pleasure her to see if she would warm up and start to enjoy herself. She certainly did! I rubbed and licked her clit and beautiful pussy. At first her moans and shrieks seemed ridiculous, way over the top and I still did not think she was into me. I carried on though, because I was enjoying myself. & she started to seem more genuine, heavy breathing, grabbing me....before cumming in the most beautiful orgasm, complete with screaming, naturally, saying "I really needed that." Good ego massage for me I must say.

She grabbed me for a passionate french kiss, and tried everything to revive me. Alas, through no fault of Parissa, Round 2 wasn't happening.

But a great punt with a girl who is really good at her job.
