The Premises:

Townhouse in Milton Keynes. 3 or 4 floors, seemed to be a lot of girls in there. Not a problem though!

The Lady:

Gorgeous tall slim tanned blonde with curves in all the right places. I'd say late 20s, early 30s.

The Story:

A proper sex machine/dynamo/nymphomaniac! Great combination of professional and dirty, just brilliant!

She walked into the room looking stunning in a bikini, before saying anything gave a passionate, sloppy FK as we groped each other. I quickly ran through the terms of the deal, though on the basis of the intro there seemed no need!

I paid over the money which she didn't seem too bothered about, when she came back things went from good to brilliant! More passionate FK, smothering each other in kisses, gorgeous sloppy OWO, before I bent her over for doggy and eventually came. All the while she was making gorgeous, appreciative noises.

Stopped for a pleasant chat, she is an intelligent woman who knows what she's doing with her life. Proceeded to go down on her, licking, rubbing, fingers allowed inside. There seemed to be no rules. She had a lovely, noisy orgasm.

Had a nice, relaxing massage, before proceeding onto round 2. More of the same, sloppy OWO and RO, FK, kissing all over body and hands everywhere. She really seemed to enjoy the encounter, which only serves to heighten my enjoyment.
