The Story:

Sorted the finances and was invited to lay naked face down. Lovely relaxing massage, with some medium pressure applied and also some very light spine tingling touches. Thought she had a sort of innocent charm, if that makes sense. She must have thought I was a retired padre or something, as after the half hour back massage, which was conducted with general chit chat, soon after turning over, I uttered an expletive, which seem to visibly shock her, she clearly didn't expect it. I thought it was funny and we both laughed about it, which added to the relaxed and friendly atmosphere. If I had a criticism, it would be that I would have preferred her to have initiated more, such as dirty talk, but I'm sure had I asked, it would have been forthcoming, as she is a very obliging and friendly girl. I got so turned on, I had to keep telling her to call a halt to her rubbing my cock. Still, I'm only human and a good few minutes early, I finally succumbed to her attentions and couldn't stop myself from a heavenly finish. All in all, a very relaxing and exciting hour, spent with a very nice girl.
