The Lady:

I have had the good fortune to have seen Adriana quite a few times since I first enjoyed the pleasure of her company in May of this year.

She is stunning and gorgeous and takes my breath away every time I have the great pleasure of meeting her.

But what's not to like: 5'9, blonde, Scandinavian (Swedish), beautiful skin, playful, light-hearted, sparkling deep green eyes, friendly, warm, flirty and dirty!

Oh, yes and did I mention 34 F (natural) tits, fantastically firm and pert bum (a runner you see), great legs, oozing social and sexual confidence and my favourite quality of all (we all have our kinks and this is without a shadow of any doubt one of my major one's), she is a great craic (as the Irish say), up for a laugh, witty, sardonic, a charming and easy way about her; and oh yes, and I swear the most winning and beautiful of smiles, which melts me every time, without fail.

The Bard was right: 'The maiden who laughs is half taken.' He omitted to say, as is the man!

One more thing I must say that I find really lovely is Adriana's voice. I haven't quite figured out why, as it is much more than just the lilt or timbre of the Swedish accent - it is a certain quality of resonance or pitch that that is very pleasing and gentle on the ear..

I know, I know, I even find Adriana's voice attractive,.....smitten or what!!

Despite being drop dead gorgeous and a total knockout, thankfully, she doesn't take herself or the situation too seriously (as neither do I) which makes for a really enjoyable time to be had – to me she is captivating and compelling company.

The Story:

As luck and good fortune would have it, I was staying in London overnight for a series of business

meetings and decided to enquire if Adriana would consider spending the night with me.

Adriana has a full time, demanding job and I am always amazed by her ability to balance and juggle her life in a seemingly effortless and efficient way.

As it happened, Adriana could fit me into her tight schedule. I was very happy, as I always am, when she can see me!

Now I am not a nervous first timer nor am I especially seasoned, and although I enjoy a longer bookings because, to be fair, I am not a 'wam, bam, thank you mam' kinda man

I was, I have to confess, excited but at the same time, and I am not ashamed to admit it, apprehensive of embarking on my first overnight adventure.

I was concerned on a number of fronts: running out of things to say (unlikely as I am quite the chatterbox), not keeping [it] up (I don't have a lot of staying power; I am no sexual athlete), and finally of just making a complete and utter tit of myself - and oh yes snoring, or worse (!!), I mortify easily.

Anyway, as I was to discover and much to my relief to have chosen Adriana to take my 'overnight virginity' was a wise choice - I needn't have worried one tiny bit - I was in very capable hands and she is just so easy going.

To cut a long story short - I had just the most fabulous time and I am so grateful that I took the plunge because the memory of it will be forever etched.

We met in the hotel at 7pm, did the necessary paperwork and shortly after got on our way to an especially nice restaurant, great fun, great food, great wine. I love all that – sets the scene perfectly I find! .

And then back to the room we went - Adriana is very giving, very attentive, very confident and probably, truth be told, in so many ways my ultimate sexual fantasy, so I could not have been happier, she ticks all my boxes and more, much more - things came to, as they tend to on such occasions, to a natural and gratifying conclusion/ finale.

I couldn't have been more content and satisfied and lay on the bed looking up at the ceiling and thought, as I often do, 'It's not fair.... how is it possible that that a cuddly middle aged, who is no George Clooney, Brad Pitt or even Jack Black (well, more Jack Black to be fair) to say the least, enjoy the attentions and ministrations of such a beautiful, sensational woman?' (I do know the answer but please indulge me just a little!!).

My post coital euphoria was slightly curtailed as Adriana a nubile, fantastically fit, 26 year old ravishing beauty lay next to me and I just thought, 'Bloody hell, I will never be able to perform all night or keep up [and I do mean quite literally keep up]. I had meetings back to back the following day and to be honest, and I know its boring, I need my beauty sleep (it's my age).

I needn't have worried because Adriana also has a full time job and we both needed a decent nights sleep. I know, I know... sleep.... on an overnight with the most gorgeous woman you could imagine lying next to me....hello...I realize you must think I am mad.... but hey, I am big enough and ugly enough to know where the fantasy ends and reality bites and messing with beauty sleep, either mine or Adriana's was simply not an option, as it was business as usual the following day.... go on roll your eyes,..... I can take it!!

We did however have one more delicious 'round' (what a horrible expression, as if it's a boxing match!) and very indulgent it was (for me); suffice to say that Adriana, is very accommodating and always eager to lend a helping hand even at 7am!!

When I first met Adriana I said that she should carry a serious health warning – she is potentially seriously addictive....however I would say that she far to sensible (and to be fair, despite being smitten, so am I) to let that happen, but I can confirm she is during the times I have the pleasure of enjoying her company – completely, utterly absolutely intoxicating, and boy do I enjoy being intoxicated

The Bard was right parting is always such sweet sorrow. And I often reflect, who goes away richer from such an encounter - but I don't really mean richer I actually mean enriched and, of course, that is me, time and time again which is why I keep coming back to enjoy the many pleasures and joys which is Adriana Amazing.

(Oh yes and embarrassingly - I did snore, quite loudly actually, cringe..... - but Adriana said my snoring was a compliment as it showed how relaxed I was in her company - ha ha ha, honestly.... how professional, polite and sweet of her was that!!).

So raise a glass with me - 'To Adriana' and 'To us Gentlemen' who have already or will, enjoy the many pleasures and joys which is Adriana Amazing! Cheers or Skål!
