### The Premises:

Maisonette ground floor flat. Felt safe, decent neighbourhood.

comms were great. rang, made booking, she sent me postcode. When I was there she gave me the last bit.

### The Lady:

quite short and skinny which is what the website said. nicely tanned. Dark hair -dont know how long cos she had put it up. She was having a pyjama day which was a nice change.

looks quite fit -she does mountain biking which explains her muscle control -see below.

Local.

### The Story:

Said hello, did the paperwork. She went to get drinks.

when she came back she proved to be a good kisser.

then followed a nice hour while we did oral on each other, including 69.

then she fingered her clit while I fingered inside till she came.

then on with a condom and nice doggy. when I came she did the most amazing muscle squeezes which was equisite.

Nice cuddle to end.

Victoria was nice and chatty so that was nice.

Bostin.
