The Premises:

Safe flat in an anonymous block near to Bayswater tube. Easy to find and adequate for the purpose.

The Lady:

Laura is Eastern European but has been in London for 6 years and therefore speaks excellent English. Photos on the 00-44 website are genuine although she has grown her hair since they were taken. In her mid/late 20's Laura has beautiful skin, a wonderful figure and is a very gentle and warm girl who loves to please. She also has the most amazing smile which you won't forget.

The Story:

I had not been in touch with Pat, the owner of 00-44, for some years as I had been distracted elsewhere but a late change of plan led me back and he couldn't have been more helpful. I followed his instructions and found the flat easily where Laura was waiting. Wearing a short, full dress and glasses with her longer hair she could be mistaken for someone's secretary - not that I ever had a secretary as sexy!

We kissed, chatted, played, had some wonderful and very fulfilling sex then cuddled and chatted some more by which time 90 minutes had flown by. She never stopped smiling and made me feel very special. Thoroughly recommended.

I will be back, maybe to finally experience an 00-44 duo date before I'm too old to appreciate it!
