The Premises:

The Lady:

This excellent lady looked exactly like her photos and has natural 34D breasts, she arrived at the hotel looking elegant and very attractive with a great smile.

The Story:

This was a superb GFE with all the touching and kissing you could hope for. Amelie was attentive and willing and the various positions we tried were delivered with enthusiasm. Her OWO was DT and her DFK was very good.

All in all real VFM

This WG offers everything you could hope for, so put her on your short list
