The Lady:

Soraya said she was 21, which is not unreasonable. The photos on the website suggests that she is thin. Not do. She has a great set of hips, small breasts with lovely nipples. Her hair is fine rather than thick. She has a tattoo on her leg which suited her. She's like the girl on your course at uni who were friends with but secretly had a massive crush on but dared not make move cos you thought she was out of your league.

The Story:

I booked Soraya earlier in the week, on Wednesday. Someone else had bagged Gabby who was my first choice, cos she appeared to have nicer breasts from the photos on the website. Even on the day, I was umming and ahing about cancelling and visiting Melissa in Wardour Street instead cos she totally floats my boat. I was glad I stuck to my guns and when I arrived at HOD and saw both Gabby & Soraya, I knew the right decision had been made for me. I asked Soraya to remain in her civvies and we had a little role play while fully dressed which culminated in her asking me to show her my cock. We did a lot of stroking and petting. No kissing & no blowjob cos Soraya had a cold sore that day which although it annoyed me slightly it gave us more time for fucking. Soraya climbed aboard & ground away on top of me and at the end put her finger in her pussy and wiped her juices on my arm. I haven't washed my arm since.
