The Premises:

Typical apartment but not on the top floor "somewhere off Oxford Street". Handy for the tube.

The Lady:

A stunner - great shape, lovely cute face with stunning eyes. Fabulous tits which the pictures don't do justice to as they are to die for...

The Story:

An enthusiastic lady who's been in town a few months and another of Asian Options' great finds from another agency.

We did everything you can imagine - oral both ways, toys, fucking, kissing and showers together both start and finish. We did do a bit of anal but I didn't push it as she was quite tight with my "not small" manhood.

She is a great little lady who will return your respect with a fabulous attitude and great energy. We both had a fab time and I will definitely return.
