The Premises:

Always clean, always very friendly & welcoming reception staff (which does make a difference), every room has a shower (essential). Even a big telly to watch while you're waiting to catch up with what's going on in the world.

The Lady:

Beautiful. That's enough right? Ok, pretty face long hair in good condition, sexy-as-hell figure & a smile that would make you forget your woes. Better? :) If I had to say something negative it's that I do look very very pale compared to her in the mirrors, they mustn't be working properly.

The Story:

I don't know how she does it but I swear she gets better looking each visit & every time I think the service couldn't get better...it does. I'll be back to see Bobbie again, it would be a bargain at twice the price (that's not a suggestion by the way GFE :p).
