### The Premises:

Basic Massage Parlour in Manchester town centre.  
Always pleasant receptionist and usually nice girls available.

### The Lady:

Brunette,petite, slim and attractive ,Brazilian lady

### The Story:

Started off very nicely.The girl is attractive and pleasant,I agreed to pay £10 extra for kissing which I was looking forward to.

The attitude of the girl was a bit short and miserable ,maybe a bad day.

Began with cowgirl and reverse cowgirl which was really good,then doggy and then missionary.The kissing was minimal and she was trying to avoid it.I'd have preferred if she had said she didn't do it.All this might be acceptable for a budget punt.

However near the end she stopped the mish (when i could have finished) and insisted on switching to cowgirl again ,and with me about to cum.Then suddenly got up and tried to use her hand,-a massive turn off.

If I had wanted a hand,I could use my own for free.

All in ,very dissapointing
