The Premises:

Nerea has a lovely place in the heart of the City close to the Barbican and Moorgate tube stations.

Like the lady herself her place is smart, cool, warm and very welcoming.

The Lady:

I was initially attracted by the photos on her website.

In real life, Nerea is even better looking with a very pretty face, soft naturally curly hair and a slim, gym toned figure.

She looked great from all angles.

The Story:

From the first flirty e-mail to the lovely farewell kiss I had a marvellous and memorable experience with Nerea. She is a truly naturally beautiful woman with a great sense of style, a fabulous body and a lovely personality.

Nerea also has silky, smooth skin which she used to great effect as part of the delicious, all over tantric massage she gave me as the first part of my visit.

Then onto more intimate time together which was even more delightful as we both really enjoyed getting to know each other with lots of delicious kisses which led to some very satisfying oral and then passionate lovemaking with the perfect conclusion.

I left feeling very relaxed and satisfied by our time together and really looking forward to our next fun encounter.

Highly pleasurable and highly recommended.
