The Premises:

Convenient basement flat in an easy to find location, 5 mins walk from Lancaster Gate. No prying eyes, safe entrance. Flat was very clean and ideal for the purpose. Good bathroom. Shower (and towel) offered before and after. Nice comfy bed and pleasantly subdued lighting. All as it should be.

The Lady:

Amelly is a tall, elegant and very attractive Estonian lady. Long blonde hair, nice body, lovely firm, large boobs. Perhaps a little broader in the hips than the photos might suggest - though the photos are clearly, definitely of her. She smiles a lot, which is nice. I'm guessing she's around 30 (actually preferable to many of the uber young escorts you find, as Amelly has experience and technique). She is clearly an intelligent lady with personality as well as sex appeal. I really wouldn't be able to fault her.

The Story:

Recently I'd had a couple of less than perfect experiences with girls who didn't kiss or provide what their profiles promised. No such worries here. The services listed on the profile are accurate and genuinely on offer. From arrival (and being offered a drink and a shower) to a parting kiss on the way out, this was exactly as it should be. Amelly is very tactile, she caresses, strokes, hugs and kisses deeply. This was a very arousing experience. She has fabulous oral technique. Light, soft and slow and the profile's promise of CIM was spot on. Time for a chat and Amelly's English is good enough to hold a conversation with no trouble. Having rested, it was time for more of those wonderful kisses and more oral to get me firm again. Round two was energetic and very enthusiastic. Cowgirl, followed by doggie and finishing with missionary, by which time I'd worked up a need for another shower. This sort of session restores my faith in the system. There are girls, we've all met them, who want the cash but provide little 'connection' for it. Thankfully, Amelly made me feel genuinely welcome and seemed to be having as good a time as I was. She was worth every penny in my view. I hardly ever do 'repeats' as my thing is to see girls of as many different nationalities as I can, but for Amelly I would be happy to return. I'd recommend her services without reservation.
