The Story:

As I entered the room, I was greeted with a warm hug from Libby. I asked her if I could use her bathroom as I had been holding for a while. When I was done, Libby was already lying on the bed giving me naughty looks and talking dirty to me. Then we started kissing and cuddling while talking dirty to each other. After a while, Libby asked me to stand up so that she could suck my dick which I gladly agreed to. Then it was my turn to pleasure her and after 5 min she got an intense orgasm after which she said that I had one of the best oral skills she's ever experienced. Finally we started fucking intensely for an hour and I ended cumming in her. Libby's been the best experience I had so far in punting.
